FOOT BALL.

'As there is no game this afternoon Captain Edwards will put the local team through light practice, at the ball park, and beginning on Monday, there will be carnest practice in all points of the game, for Thanksgiving afternoon's the game, for Thanksgiving afternoon's great contest. Bethany college is a dangerous customer, with stars like Harry Duffey, Eugene Curtis and others that the college will "load up" with, and the home team intends to be prepared. It will be the game of the year and will decide the champjonship of West Virginia. The event is being eagerly anticipated and with good weather, the side lines will be packed with a big holiday crowd.

The crowd that will view the W. & J. Duquesne game at Pittsburgh, next Thursday, will range from 19,000 to 5,000, according to estimates. Indirectly this game will influence the Wheeling game, as Harry Duffey is being courted by W. & J. while Bethany wants Duffey and "Teck" Mathews to play against Wheeling.

Linsly will play the Bellaire high school on Thanksgiving, and should have no trouble in piling up a big score. On form, Bellaire should be very easy for the cadets.

GARDNER AND TUNNEY

To-Night's Card at Drovers' Home Club—Boxing Notes.

A good stiff fistic argument is pro-mised at the Drovers' Home club, North Benwood, to-night, when Eddle North Benwood, to-night, when Eddle Gardner, of this city, will face Mike Tunney, of Pittsburgh, for twenty rounds. Tunney will arrive in Wheeling with a host of his friends, this afternoon. He has quite a name as a fighter about Pittsburgh, and this will be his first battle since his fighrement a year ago. He is said to be a hardy, clever lad, and game to the finish. Eddle intends to show what he can do, and repeat the good impression he made in his fight with Johny Van Heest. There will be a good preliminary between Wheeling and Bellaire colored heavyweights.

Oscar Gardner, who has returned to the sense of the sense

Oscar Gardner will be in Eddie corner, in the latter's bout to-nigh with Mike Tunney.

Two Miners Injured.

By an explosion of powder in a pov By an explosion of powder in a powder eave in the rear of Mr. Ashman's residence, on Long Run, about 6:30 Thursday evening, one man was fatally burned and another very seriously injured. A Hungarian miner was carrying an opened thirty-four pound keg of powder from the cave with a lighted mine lamp in his hand and when near the entrance to the cave a spark from the lamp exploded the powder and hurled him and another miner nearby against a fence. There were four more kegs in the cave that did not explode. Physicians say one cannot recover. Physicians say one cannot recover. Their names could not be secured. The fatally injured man is married, with a family in the old country.

POWER AGAIN PRESIDENT

Of the Inter-State League, His Election Being Unanimous.

Special Dispatch to the Intelligencer.

CLEVELAND, O., Nov. 24.-After an afternoon spent here in lobbying that afternoon spent here in lobbying that would make national political parties blush with envy, the two factions of the Inter-state league got together this evening, and re-elected C. B. Power president, secretary and treasurer.

William Meyer, jr., of Fort Wayne, had the Robinsons, of Cleveljad, lobbying for him, while Power positively retised to ask any of the Ilwavering numbers to vote for him.

When-the league finally got down to business. Power was unanimously chosen to direct the destinles of the league the coming senson. It was a

When-the league finally got down to business. Power was unanimously chosen to direct the destinles of the league the coming senson. It was a friendly contest and Power, won by simply telling the members that he rested his case on the record of the league since its organization four years ago. After the election the members discussed plans for the coming season and then adjourned to meet in Cleveland at the call of the president.

MARTIN'S PERRY NEWS.

The Daily Chronicle of Wheeling's

The Daily Chronicle of Wheeling's Progressive Neighbor.

This city to-morrow will be the center of attraction in Christian circles in this vicitity. It is the day that has been looked forward to with so much pleasure for the past two years not only by people immediately conjected, but by all Protestant organisations. Not only for the past two years, during the tearing down and erection of the new edifice, but for many years previous when the congregation was hopethe tearing down and erection of the new edifice, but for many years previous when the congregation was hopelessly looking forward to the day when they could afford a building that would and also one that would not only be a credit to the congregation but to the city. To-morrow will occur, with impressive ceremonies, the dedication of the new Presbyterian church. The programme previously published in this paper will be carried out. Dr. A. S. Milholiand, of Uniontown, Pa., a minister of considerable note, will be among the many clergymen present, and in the morning will deliver the dedicatory sermon. At 3 o'clock in the afternoon a meeting will be held to receive greetings from former pastors of the church. Dr. Milholiand will also conduct the evening services. A pleasing feature of each service will be the special music rendered by noted musicians of this city. All three services will be largely attended, not only by our people, but by residents of neighboring cities and country.

Martin's Ferry Briefs.

The funeral of Alex Lyle, whose death occurred at West Wheeling Thursday afternoon, as was noted in yesterday's Intelligencer, will take place to-morrow afternoon at 2 o'clock, from his late residence. Interment at Weeks cemetery.

Cleans and Polishes

It Kills the Germs

WHICH CAUSE DISEASE.

Catarrh, Consumption, Bronchitis and Pneumonia Are Germ Diseases.

THIS ALL MEDICAL MEN ADMIT.

Through the Air We Breathe, is the Only Way by Which These Diseases Can Be Reached.

NO PHYSICIAN WILL DENY IT.

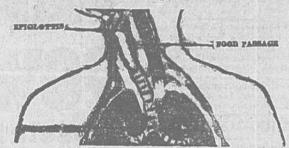

There is but One Germicide that Can Be Inhaled-No Other Has Yet Been Found.

THESE ARE FACTS.

How, then, Can You Expect to Cure These Diseases in Any Other Way?

THIS LITTLE VALVE

Has for Hundreds of Years Prevented the Cure of All Diseases of the

It is now acknowledge by all medical men that this little valve, called the epiglottis, has effectively prevented the cure of Consumption and all deep-seated diseases of the respiratory organs for hundreds of years. It is due to its presence at the entrance of the windpipe that all liquid medicines, no matter in what form they are administered or how minutely divided by sprays or atomisers, are prevented from entering the bronchial tubes or lungs; yet, if I were not for this little valve, liquids and food would enter these passages and cause instant strangulation and death. The epiglottis is always open to permit the passage of air to the lungs, but so constructed that the slightest contraction of the throat causes it to close over the opening to the windpipe, and prevents the least drop of moisture from entering the passages which lead to the lungs. Try to breathe and swallow at the same time and you will see how perfectly this little valve does its work. Is it any wonder, then, that the number of persons afflicted with Catarrh, Bronchitts and Consumption have steadly increased every year, and that the medical profession should have become excited over the discovery of a dry air germicide, the first ever found, that can be carried to all parts of the head, throat and lungs in the air you breathe? No other treatment or medicine has ever created such a profound interest in leaves among the doctors, and this interest is being increased hourly, by the wonderful recoveries made under their own eyes. Not alone among the medical profession has this been felt, but hundreds of thousands of men and women throughout the United States, through free treatments given, and influenced by the knowledge that their money would be returned in case of failure, have tested this new remedy, been cured, and are to-day recommending "HYOMEI" to all their friends and acquaintances. There has been for montha NO DOUBT WHATEVER in the minds of medical men as to the efficacy of "HYOMEI" to all their friends and acquaintances. There has been
